

We, as Students, Appreciate Your
Generosity Every Day

2012 ANNUAL FUND CAMPAIGN

The life of a University of Maryland School of Dentistry (UMSOD) dental student is shaped daily by your generosity. Here is what an average day in dental school looks like:

Morning -- out in the Community

Community outreach is an essential part of a well-rounded education. Students explain the benefits of proper brushing and flossing to children at local elementary schools.

Afternoon -- in the Classroom

Students learn about cultural sensitivity and patient needs during a lecture on ethical reasoning in dentistry. This practical knowledge will be crucial as they provide compassionate treatment to a diverse patient population.

Evening -- in the Clinic

Patients receive comprehensive dental care from students who are supervised by dedicated faculty members.

Your support is vital to the everyday student experience.

Giving Societies

DEAN'S CIRCLE

These generous donors believe in the mission of the school. The vast majority, who are alumni, demonstrate their commitment to the future of dental education, research and service excellence by making generous annual contributions of \$2,500 or more.

INNOVATOR'S CIRCLE

Donors who comprise the Innovator's Circle make yearly donations of \$1,000 to \$2,499. Their contributions allow UMSOD to continue the tradition of providing state-of-the-art instruction and technology.

PARTNERS, PATRONS AND FRIENDS

Partners, patrons and friends are a vital part of our UMSOD family. Their consistent gifts of \$100 or more allow the institution to maintain critical programs.

GIFT OF TRIBUTE

Gifts of Tribute are often made in memory of, or in honor of a loved one or special event. Although the amount of the gift is kept confidential, the donor's name and honoree are listed in the annual Honor Roll of Donors publication.

YOUNG ALUMNI CIRCLE (YAC)

The School of Dentistry encourages all alumni who have graduated within the past five years to join this giving society with a yearly contribution of \$25.
