*Living the Dream*

# Spring 2013 Annual Fund

Since its inception in 1840, the University of Maryland School of Dentistry (UMSOD) has held fast to a dream of providing a dynamic education that serves each student, patient and community. UMSOD combines lectures, research and clinical practice to provide students with an exceptional learning environment. Gifts to the annual fund give the school the ability to offer an educational experience that is second to none.

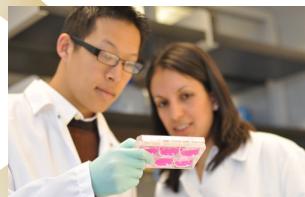

## What will your gift support?

### Education and Innovation

A dental student presents the results of her research project during scientific poster day at the School of Dentistry.

Members of the student research group perform an experiment in a state-of-the-art laboratory.

A fourth-year dental student develops treatment plans under the guidance of a seasoned faculty member.

The dream of becoming a dentist at UMSOD centers on the academic potential, motivation and ability of our students. Digital technology and cutting-edge research enhance this effort. Faculty and staff are committed to assisting and developing students from the moment they begin their dental career.

### Give Today and Help Students Fulfill Their Dreams

Your Annual Fund gift will support educational programs that help students fulfill their dreams of becoming dentists.

# *Giving Societies*

### DEAN'S CIRCLE

These generous donors believe in the mission of the School of Dentistry. The vast majority, who are alumni, demonstrate their commitment to the future of dental education, research and service excellence by making annual contributions of \$2,500 or more.

### INNOVATOR'S CIRCLE

Donors who comprise this society make yearly donations of \$1,000 to \$2,499. Their contributions allow UMSOD to continue the tradition of providing state-of-the-art technology and instruction.

### PARTNERS, PATRONS AND FRIENDS

Partners, patrons and friends are a vital part of our UMSOD family. Their consistent gifts of \$100 or more allow the institution to maintain critical programs.

### YOUNG ALUMNI CIRCLE

The School of Dentistry encourages all alumni who have graduated within the past five years to join this giving society with a yearly contribution of \$25.

### GIFT OF TRIBUTE

Gifts of tribute are often made in memory or honor of a loved one or special event. Although the amount of the gift is kept confidential, the donor's name and honoree are listed in the annual honor roll of donors publication.
