

UNIVERSITY of MARYLAND SCHOOL OF DENTISTRY

HONOR ROLL OF DONORS

MESSAGE FROM THE DEAN

As I watch our students gain knowledge and develop skills, I know that the future of dentistry is in good hands. Our graduates leave here ready to become exquisite care providers within the profession and innovators who will drive dentistry forward into an exciting future.

It is the support of donors that enables the University of Maryland School of Dentistry to provide an exceptional education for all our students. Many students who attend our school are awarded merit scholarships that are generously funded by some of the individuals mentioned in this Honor Roll of Donors. Our students rely on that financial support to achieve their academic goals.

Contributions have a huge impact on the student experience. Thanks to our philanthropic alumni and friends, many students have the opportunity to participate in academic externships around the globe, where they provide care for severely underserved populations and learn firsthand the value of giving back. At our school in Baltimore and our satellite clinic in rural Perryville, donations allow students to train with the latest technology, like digital 3D scanning devices. These opportunities equip our graduates with unique skills that will allow them to lead the way as dentistry continues to evolve.

As our institution strengthens its connection to our sister schools in College Park, we offer more collaborative opportunities for our students. The alliance established by the two flagship campuses of the

University System of Maryland will allow us to expand our own cutting-edge research. Our alumni and friends provide much of the support that enables UMSOD to be a true scientific leader. Our investigators' discoveries change the world, whether they lead to new cancer treatments, vaccines for deadly bacterial infections or a deeper understanding of what causes chronic pain.

I offer my sincere thanks to all the donors honored in this publication. Each and every contribution provides vital support that enables our programs to expand and our institution to thrive. Your dedication enables the world's first dental school to also be the world's very best.

Sincerely,

Christian S. Stohler, DMD, DrMedDent

HONOR ROLL

July 2010 – June 2011

The Honor Roll acknowledges the generous support of our alumni, faculty, staff, parents, corporate partners, foundations and friends.

DEAN CHRISTIAN S. STOHLER

“MAKING AN IMPACT” BUILDING CAMPAIGN

The School of Dentistry strives to improve the health and well being of individuals in Maryland, the nation and around the world through education, research and public service. Due to the generosity of our alumni, the School of Dentistry has paid off the remaining debt owed on the new building that was constructed in 2006.

The school continues to further its mission by developing additional funding for scholarships, program expansion and international exchange.

We wish to extend our sincere gratitude to the following supporters whose contributions have made our mission possible.

UMSOD UNCOMPENSATED PATIENT CARE IN MILLIONS OF DOLLARS

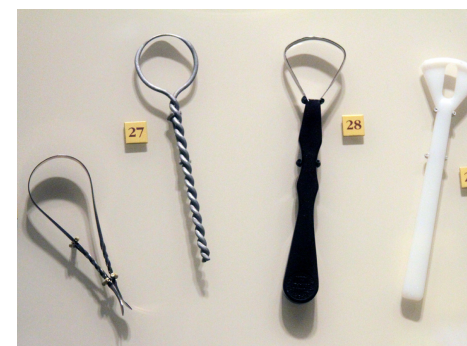

National Museum of Dentistry: New Operating Plan

The operations of the National Museum of Dentistry have been merged with the University of Maryland School of Dentistry as of November 30, 2012.

The museum's exhibit portfolio will be maintained and tours will be given by appointment. This new operational plan is necessary in order to make the museum financially viable, address the school's budget deficit and avoid increases in tuition.

The University of Maryland School of Dentistry is committed to maintaining the National Museum of Dentistry and supporting its mission to preserve the history of the profession. The school is dedicated to honoring the intent of every museum donor. For more information visit www.dentalmuseum.org.

2013 All Alumni Reunion Weekend

Taste of Baltimore

Save the date: June 7-9, 2013

www.dental.umaryland.edu/reunion

This year's All Alumni Reunion is packed with exciting events. Meet and mingle with old friends and former classmates at the All Alumni Reunion Opening Reception on Friday, June 7. Help us honor the 2013 Alumnus of the Year during the reception. On Saturday, June 8, attend cutting-edge continuing education courses and tour the state-of-the-art School of Dentistry facility. A special brunch and awards program on Sunday, June 9, will honor the Grand Classes.
