

UNIVERSITY of MARYLAND
SCHOOL OF DENTISTRY

HONOR ROLL OF DONORS
July 2011-June 2012

MESSAGE FROM THE DEAN

HONOR ROLL July 2011 - June 2012

Sometimes I just can't say "thank you" enough. Not just for your financial contributions, which are deeply meaningful, but for the intent that is behind them—to support us, to believe in us, and to dream with us as we shape the future of dentistry.

Your financial support means that another student is able to graduate with a degree in dentistry or dental hygiene; a critical research effort is funded; another patient receives vital care; or a loved one is honored.

More than 1,200 of you made contributions to the University of Maryland School of Dentistry during fiscal year 2012. I am overwhelmed by your generosity.

John F. Kennedy once said, "We must find time to stop and thank the people who make a difference in our lives." You have made a difference in the life of this school and in the lives of all who are touched by it—our students, faculty, staff, alumni and community. For this, you have my unwavering gratitude.

We will strive to be good stewards of your gifts and, more importantly, your trust.

Thank you, again.

Sincerely,

Christian S. Stohler, DMD, DrMedDent
