

UNIVERSITY of MARYLAND
SCHOOL OF DENTISTRY

HONOR ROLL OF DONORS

July 2012 - June 2013

MESSAGE FROM THE Interim DEAN

HONOR ROLL July 2012 - June 2013

It is my privilege to lead the University of Maryland School of Dentistry (UMSOD) as the interim dean. In addition to being a proud UMSOD alumnus, I have served the school in several capacities over the last 17 years, most recently as the chair of the Department of Periodontics.

I am reminded every day that our School of Dentistry has the best and brightest students, faculty and staff in the country. At the beginning of the fall semester, we welcomed 130 students into the DDS program, drawing from a pool of nearly 3,000 applicants. We also

accepted 20 students into our dental hygiene program. After they receive an exceptional education, these students will graduate with a solid foundation that will help them shape the future of dentistry—not only as dentists and dental hygienists, but also as visionaries, inventors and leaders.

I am especially grateful for our donors and volunteers, whose contributions help enrich our educational programs. Nearly 100 donors made first-time gifts to the school in fiscal year 2013, adding to more than 1,000 total donations. Your gifts of time and money help our students and faculty members provide world-class oral health care.

Thank you for your outstanding support.

Sincerely,

A handwritten signature in black ink that reads "Mark Reynolds".

Mark A. Reynolds, DDS '86, PhD

“I am reminded every day that we have some of the best and brightest students, faculty and staff of any dental school in the country.”
