

# QR Code Digital Menus Now Available to Your Accounts

Breakthru has partnered with BrandMuscle to make SpotMenus available to your on-premise accounts.

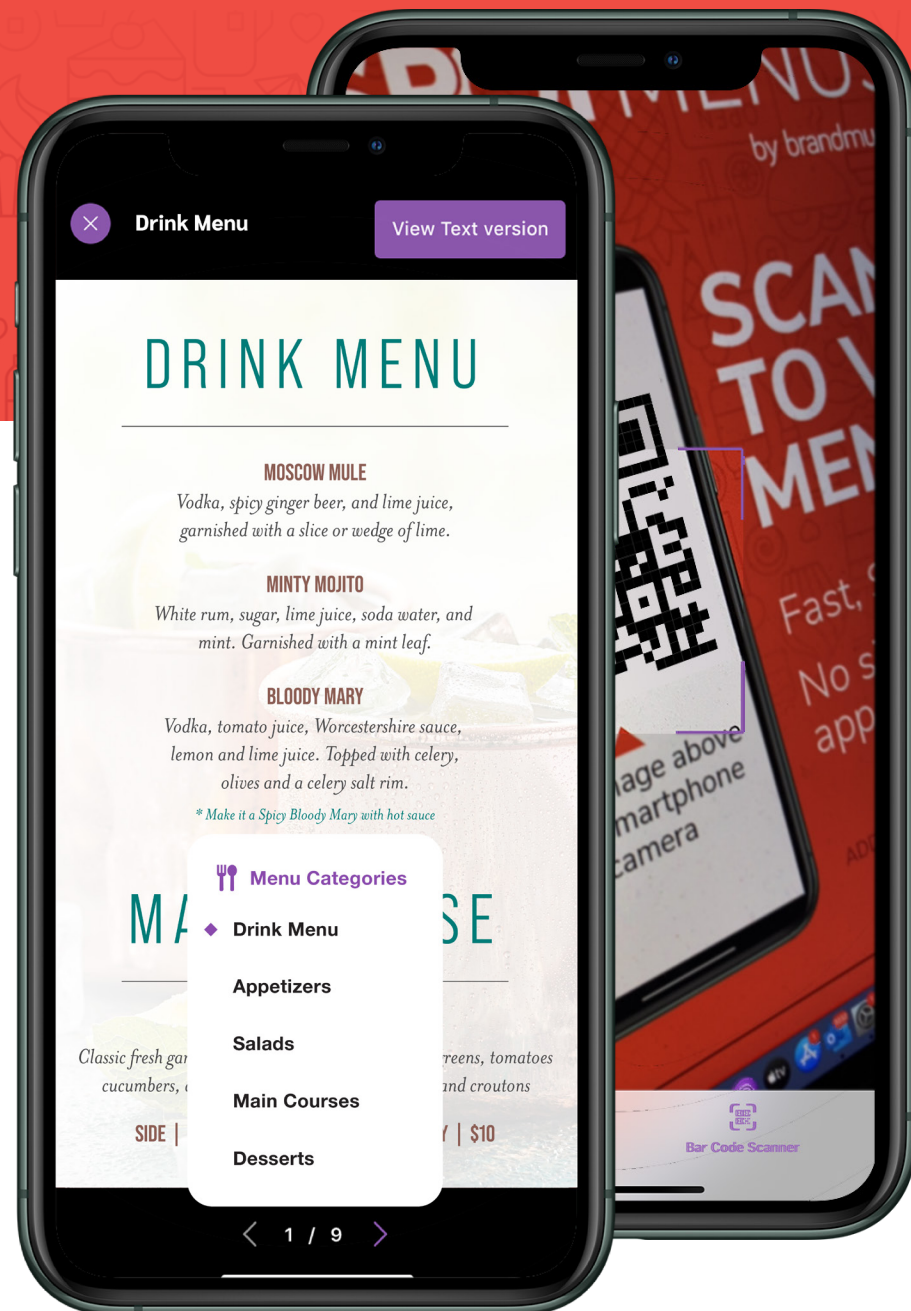

## What is SpotMenus?

SpotMenus is a digital menu solution that adheres to state and Centers for Disease control guidelines for reducing the spread of coronavirus in bars and restaurants.

Patrons simply scan the QR code with their smartphone camera of a QR code with their smartphone and the drinks menu you have associated with the participating account location will appear on their device.

## What is SpotMenus?

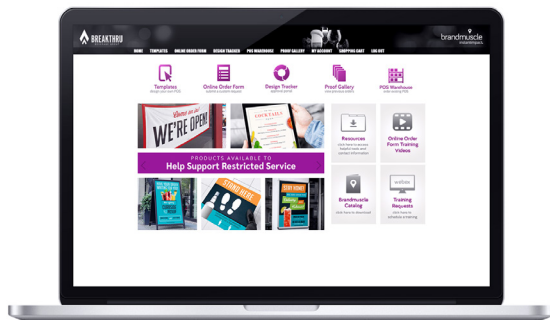

- Adheres to state and Centers for Disease Control guidelines for reducing the spread of coronavirus
- Fast, safe, and easy!
- Patrons are not required to sign up or download anything to scan the QR code
- BrandMuscle will ship a SpotMenus Welcome Kit containing signage and instructions for activating SpotMenus to each participating location
